Stories that Inspire Change

Thursday, February 25, 6:00 pm – 9:00 pm  
at the Sheraton Stamford Hotel  
700 East Main Street, Stamford, CT

The Center is once again bringing together a panel of successful and inspirational women from different backgrounds. Each will share inspiring stories about how she has made thoughtful, positive changes within herself and how she inspires others to do the same. The moderator will then lead the panel in a lively conversation on topics such as obstacles they have overcome, how they intertwine life and work, teaching moments that have had a lasting effect, and how they measure success.
